

Directions: Take one scoop (6.98 g) mixed in 2–4 ounces of water 1-3 times per day, or as directed by your healthcare practitioner.

GlutaMed™ is a pleasant tasting formula that provides support for a healthy intestinal lining and optimal gastrointestinal function.* A healthy intestinal lining is essential for digestion, liver function and immune function.* This formula has been specifically developed with high levels of the amino acid glutamine, which serves as a fuel source and a precursor for growth of the rapidly dividing cells of the GI mucosal lining.* Arabinogalactan is a naturally occurring polysaccharide that provides excellent support for GI health.* The aloe in this formula is specially processed to remove the bitter principles and prevent any laxative effect.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Contents sold by weight, not volume. Some settling may occur during shipping and handling. The amount of product contained in 1 scoop may be above or below 6.98 grams due to variations in handling and product density.

This Formula Meets or Exceeds cGMP Quality Standards.
