We simply could not resist calling this blend of healthful goodness **Love and Peas**, now in a sugar free formula! You will love the whole foodstuffs blended with a full 20 grams of protein in this meal replacement mix.

Do not let the playful name distract you. This product is free from dairy, lactose, gluten, and sugar and proudly qualifies for the stringent Vegan Certified Mark. Not to mention, it tastes great and features a natural sweetener system of Luo Han Guo (Monk Fruit) and Stevia!

Love and Peas is an alternative for those seeking a sugar free protein source in a blend of antioxidants, vitamins and minerals, amino acids plus beneficial fats from flax seed and borage oil.

Recommendation: Mix two level scoops (40 g) of **Love and Peas** powder with approximately 9 ounces of cold water, or mix to taste.

This bag has been sealed for your protection. Do not use if the seal is open or is damaged. The weight stated on this bag is correct; product settles during shipping. Nature's Sunshine uses natural source materials that are subject to color variation.
