We simply could not resist calling this blend of healthful goodness **Love and Peas**. You will love the whole foodstuffs blended with a full 20 grams of protein in this meal replacement mix.

Do not let the playful name distract you. This product is free from dairy, lactose and gluten... and it tastes great! It proudly qualifies for the stringent Vegan Certified mark.

Love and Peas in a blend of antioxidants, vitamins and minerals and amino acids plus beneficial fats from flax seed and borage oil.

Recommendation: Mix two level scoops (45 g) of **Love and Peas** powder with approximately 12–16 ounces of cold water, or mix to taste.

This bag has been sealed for your protection. Do not use if the seal is open or is damaged. The weight stated on this bag is correct; product settles during shipping. Nature's Sunshine uses natural source materials that are subject to color variation.
