<i>beta</i> -Sitosterol		340 mg	†
†Daily Value not established.			

Other ingredients: dibasic calcium phosphate, silica, magnesium stearate, stearic acid, modified cellulose gum.

Phytosterols are natural components of plants, including vegetables and grains. Numerous clinical studies have demonstrated that plant phytosterols can help to support healthy cholesterol levels already within the normal range. The three main phytosterols in phytosterol complex are beta-sitosterol, campesterol, and stigmasterol. They are natural, safe, and derived entirely from plant sources.*

Suggested Use: 3 tablets daily just before or with any meal containing fat.

WARNING: Do not take this product if you have been diagnosed with sitosterolemia. If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
