- Coenzyme Q10 (Ubiquinone)

Bioavailability Support*

- BioPerine® Black Pepper Extract 95% Piperine

Nature's Way Turmeric[®] ADVANCED TURMERIC FORMULA

The Turmeric™ Advantage

Nature's Way® Turmeric™ formulas utilize standardized turmeric root extract so we can guarantee our ingredient potency. Similar products that include turmeric root may not even specify the total levels of curcuminoids provided.

Enhanced Bioavailability

A key component of our Turmeric products is the inclusion of 10 mg of BioPerine® Black Pepper Extract, standardized to contain 95% (9.5 mg) Piperine in each serving, for enhanced bioavailability of the Turmeric component. Turmeric is generally considered to be poorly assimilated by the body, which makes BioPerine especially important.

Keep out of reach of children. Safety sealed with printed outer shrink-wrap and inner seal. Do not use if either is broken or missing.

GLUTEN FREE. No sugar, salt, yeast, wheat, soy, dairy products, artificial colors, flavors, or preservatives.
