

Directions: Take three capsules per day or as directed by your healthcare practitioner.

Mitochondrial Recharge® is a part of NuMedica's Advanced Neuro-Immune Program™ and is used to support mitochondrial function.* Mitochondria are responsible for producing energy (ATP) needed by cells to function properly. Methylation deficiency, toxic exposure and poor nutritional delivery can initiate functional deficiency in the mitochondria.* Mitochondrial Recharge® contains powerful, targeted ingredients, including super antioxidants, minerals and amino acids, to assist in the enhancement and restoration of the functional capability of mitochondria.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
