Environmental pollutants can build up in the body, slowing natural cleansing and detoxifying processes. Nature's Sunshine CleanStart® is our most popular cleanse to help support the primary detoxifying processes of the body. Now this flagship product is available in a mild formula for those seeking complete yet gentle cleansing support. Additionally, CleanStart Mild contains *Bacillus coagulans* to support the friendly bacteria in the intestinal tract.*

Use CleanStart or CleanStart Mild to help 'jump start' your cleansing and detoxifying program. After using CleanStart, try Detox Basics™ daily detoxifying program for ongoing detoxification support.

This package contains two types of packets: 28 capsule packets (3 Gentle Move, 1 Enviro-Detox) and 28 cleansing drink mix packets (powdered mix). This represents a two-week supply when used as directed.

Drink plenty of water throughout the day.
