Other ingredients: dibasic calcium phosphate, sorbitol, stearic acid, silica, and magnesium stearate.

Contains soy.

Suggested Use: 1 tablet 1 to 2 times daily. Do not exceed 2 tablets daily. Do not use for more than 30 days at a time. Take a two-week break in between use.

INTIMATE RESPONSE™ contains a combination of herbs and nutrients that may help maintain healthy circulation. Standardized ginkgo extract, along with ginseng and L-arginine, may influence nitric oxide release from the cells, supporting adequate blood flow to the organs. Yohimbe, an African herb, contains low levels of the alkaloid yohimbine, which acts on peripheral blood vessels to further affect circulation.*

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF YOU ARE PREGNANT, MAY BECOME PREGNANT, OR BREASTFEEDING. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heart-beat, dizziness, blurred vision, or other similar symptoms.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
