Other Ingredients: Vegetable Cellulose, Vegetable Magnesium Stearate, Microcrystalline Cellulose, Vegetable Stearic Acid.

SUGGESTED USE: As a dietary supplement for adults, take two (2) vegetable capsules daily with juice or water, between meals, or as directed by a healthcare practitioner.

If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement.

Keep out of reach of children.

Long chains of molecularly bonded individual amino acids form protein. The body must first break these molecular (peptide) bonds for amino acid absorption to take place. Solgar's free form amino acids are already in their simplest form (no peptide bonds) and can be readily absorbed into the bloodstream.
