Ingredients: Caprylic acid triglycerides from highly refined coconut oil.

Extracted from 100% orangutan-friendly coconut oil. No palm oil whatsoever.

Refrigeration not required. Safety-sealed. Replace if outer seal is broken.

Brain Octane and all edible oils react with certain plastics (including Styrofoam) and should only be used with utensils and containers made of metal, glass, ceramic or safe HDPE plastics.

We use non-BPA, recyclable HDPE bottles to reduce environmental impacts of padding, packing and shipping glass bottles.

GRAVE LESS. DO MORE.†

Brain Octane oil powers your brain and body with high-energy fuel made from the most potent part of the coconut. This smart fat kick-starts your body's ability to run on brain-boosting, fat-burning ketone energy. Translation? Amplified energy, improved mental performance and fewer cravings throughout the day.†

RECIPE FOR SUCCESS.

Brain Octane oil is flavorless so you can add it to just about everything. Start with one teaspoon and build to the full one-tablespoon serving over several days. Try it in salad dressings, smoothies or your morning cup of Bulletproof Coffee—just start small so your stomach stays happy.

Do not heat above 320° F
Love it or we'll refund it.
