Maltodextrin is a carbohydrate derived from corn. It is added to make it easier to measure the Stevia extract. NuNaturals uses plant-based natural flavors that help to make our Stevia products the best-tasting ones available.

NuNaturals also produces other Stevia products: Quick Dissolve Tabs™, Pure Liquid™ Clear Stevia™ and Alcohol-Free Stevia™, White Stevia Powder packets and White Stevia Pure Extract Powder.

Contains no soy, yeast, gluten, wheat, milk, synthetics, artificial colors or flavors, preservatives, saccharin, aspartame, sucralose, or artificial sweeteners.
