Source Naturals **CIMI-FEM™** offers you black cohosh as an extract standardized to 2.5% triterpene glycosides. CIMI-FEM contains black cohosh, shown clinically to reduce some of the normal discomforts of menopause, including hot flashes and occasional anxiety. CIMI-FEM is delivered in a quick-dissolving chocolate peppermint flavored lozenge that does not have to be swallowed and is easy to take once daily.*

Suggested Use: 1 lozenge daily. For best results, allow to dissolve in the mouth before swallowing. May also be swallowed. For best results, use this product for at least 4 weeks.

WARNING: DO NOT USE if you are pregnant, may become pregnant, or breastfeeding.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
