

Why Supplement with IP-6 & Inositol?

IP-6 & Inositol supports your immune system.* While IP-6 is found in rice bran and other foods, there are good reasons to take an IP-6 & Inositol supplement. IP-6 is often lacking in foods that have been processed since IP-6 is usually found in the bran or hull, which is often milled away.

Why Supplement with Nature's Way® Cell Forté® IP-6 & Inositol?

Cell Forté & Inositol has been a trusted brand since 1998. This special blend of IP-6 and Inositol is designed to support your immune system.*

IP-6 (found in the bran of brown rice and other foods) and inositol (part of the vitamin B family) are featured together in a unique ratio found only in Cell Forté IP-6 & Inositol.
