

EACH SERVING PROVIDES:

2000 IU of optimized vitamin D-3. Micro D-3 uses our advanced Sub Micron Emulsion Delivery System (M.E.D.S Technology) to increase bioavailability up to 10 times. Research suggests Vitamin D-3 promotes strong bones, regulates calcium in all cells, protects the immune system, provides antioxidant and antiviral benefits, among others.*

SUGGESTED USAGE: As a dietary supplement, take 2000 IU (one drop) per day or as directed by your physician.

STORAGE: Refrigerate after opening.

Keep out of the reach of children.
