

One of the leading health issues for adult men is prostate health. As men age, prostate problems may increase, so it is important for men of all ages to take prostate health seriously.¹

Long-term prostate health begins with a proactive approach to good health and recommended daily use of The Prostate Formula. This unique and comprehensive blend of whole herbs, vitamins, amino acids, and zinc now also comes with pomegranate and quercetin which naturally supports healthy prostate function.* Doctor developed and trusted by thousands of men since 1994, The Prostate Formula provides a gentle, traditional approach to prostate health and improved quality of life.

Manufactured for and distributed by:
PharmaCare US, Inc., San Diego, CA 92108

Recommended Use: As a dietary supplement, recommended use is 3 tablets per day with food (or as recommended by a physician). As with many supplements, regular use is recommended to maximize good health. You may begin realizing some benefits within a very short time, however, it is important to take The Prostate Formula for at least 60-90 days to obtain optimal benefits.

- This product is intended solely for use as a dietary supplement. It does not eliminate the need for regular prostate examinations by a physician.
- If you are presently under treatment for any medical condition, or are taking prescription medication, consult your physician or pharmacist before taking this or any dietary supplement.
- Keep this and all dietary supplements out of the reach of children.

Storage: Product should be stored in a cool, dry place away from direct light and heat. Keep bottle capped when not in use.
