& **PC Lipids**

Neuro Nutrition - Cell Membranes

Professional Formulation

300 Grams

Each Teaspoon Contains:

A proprietary blend of 555 mg. of Longvida® RD Optimized Curcumin and 1100 mg. of Essential PC Lipids® (soy derived). Optima C-PC leverages SLCP™ Technology (Solid Lipid Curcumin Particles) to enhance bioavailability by up to 65 times; resulting in significantly higher blood serum levels of curcumin and passage through the Blood Brain Barrier. Optima C-PC is a synergistic combination of curcumin and PC Lipids to address chronic neuro inflammation and cell membrane integrity, and to support cholinergic metabolic functions such as neurological and mental performance. *

SUGGESTED USAGE: As a dietary supplement, take 1-3 teaspoons per day or as directed by your physician. Keep tightly closed at controlled room temperature 15 - 30 C (59-89 F) °

Keep out of the reach of children
