Genistein	2.5 mg	
Total Isoflavones:	50 mg	

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Contains Soy.

Isoflavones are unique polyphenol compounds which are found in the soy-bean plant. Research suggests that soy protein and soy isoflavones may reduce the frequency and severity of hot flashes during menopause. Source Naturals **GENISTEIN** contains 50 mg of SoyLife® isoflavones per serving which are naturally occurring and come from non-GMO soy. Convenient to mix with water or juice. One teaspoon provides slightly more isoflavones than two 1,000 mg tablets.*

Suggested Use: 1 teaspoon mixed with water or juice, twice daily with a meal.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn or wheat. Contains no starch, preservatives, or artificial color, flavor or fragrance.
