DIETARY SUPPLEMENT

CALCIUM CITRATE

1,000 MG OF CALCIUM PER SERVING

180 TABLETS

Supplement Facts

Serving Size 3 Tablets
Servings Per Container 60

| | Amount Per Serving | %DV |
|------------------------------|--------------------|------|
| Calories | 10 | |
| Total Carbohydrate | 4 g | 1%* |
| Dietary Fiber | 1 g | 4%* |
| Calcium (as calcium citrate) | 1,000 mg | 100% |

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

Other ingredients: microcrystalline cellulose, dibasic calcium phosphate, stearic acid, modified cellulose gum, silica, and magnesium stearate.

Calcium citrate is a form of calcium that is more soluble and better absorbed by the body than other forms of calcium. Research suggests that people who experience low levels of HCl in the stomach may absorb more calcium from calcium citrate than from calcium carbonate. Calcium citrate can help support and maintain a healthy skeletal system, especially during the menopausal years when bone loss increases.*

Suggested Use: 3 tablets daily with or without meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
