CANDIDA CLEAR®

Candida Clear is a cleansing program that contains natural ingredients such as Pau D'Arco, Caprylic Acid, and Oregano. Garlic, Selenium, and Zinc, also included in this formula, support the body's immune function.*

Candida Clear® contains a proprietary blend of enzymes that are especially blended to provide support to the intestinal tract. Candida's cell wall is composed of a variety of components, including carbohydrates and proteins. The cell wall may be vulnerable to the digestive action of the carbohydrate and proteolytic enzymes found in this formula.*

The **Candida Clear®** program consists of two different packets. The Candida Clear Combo cellophane packet contains two Pau d' Arco capsules, two Caprylic Acid Combination capsules and two Yeast/Fungal Detox capsules. The Candida Cleanse Enzyme cellophane packet contains two capsules of our proprietary carbohydrate and proteolytic enzyme blend.

CANDIDA CLEAR®

14 Day Cleansing Program

CANDIDA CLEAR®

Dietary recommendations while taking
Candida Clear®:

Foods to avoid: sugary foods, foods high in simple carbohydrates, alcohol, starchy foods, high-glycemic fruits, fermented foods, mushrooms, vinegar, foods high in gluten, foods that contain yeast and mold, cheese, and most other dairy products.

Foods to eat: vegetables, foods high in protein, meats, plain yogurt, nuts (almonds), berries (strawberries, raspberries), grains low in gluten (quinoa, chia, flax), and green foods.

Complement Candida Clear with Nature's Sunshine's NutriBiome™ line of probiotics which will help populate the gut with friendly bacteria.*
