

Molecularly Distilled | Guaranteed Purity

NORDIC

NATURALS®

Our classic Arctic Cod Liver Oil™ has always been derived from 100% wild Arctic cod—no other fish oils or synthetic additives are ever used. Unlike fermented oils, our cod liver oils are manufactured to eliminate free fatty acids and prevent rancidity. They support the heart, brain, and nervous system, and promote optimal immune system function.*

Wild caught. Pure. No fishy aftertaste. Friend of the Sea certified.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: Three soft gels daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Product protected by U.S. patent #s 6346231 & 6641837

Keep out of the reach of children

Nordic Naturals products are never sold under any store brand

Warning: Consult with your physician before using this product if you are allergic to iodine, or use blood thinners.
