DIETARY SUPPLEMENT

GAMMA E 400

COMPLETE E COMPLEX
WITH TOCOTRIENOLS
400 MG • 30 SOFTGELS

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	%DV
Vitamin E (D- <i>alpha</i> -Tocopherol)	190 IU	633%
Tocopherol Blend	667 mg	†
Yielding:		
<i>gamma</i> -Tocopherol	400 mg	†
<i>delta</i> - and <i>beta</i> -Tocopherol	130 mg	†
Sesame Seed Oil	30 mg	†
Tocotrienol Complex (EVNol™)	5 mg	†
†Daily Value not established.		

Other ingredients: gelatin, glycerin, and purified water.

Contains soy.

Suggested Use: 1 softgel 1 to 2 times daily with meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.

Recent research has demonstrated that *gamma*-tocopherol is a more effective antioxidant than *alpha*-tocopherol and may be an important factor for a healthy cardiovascular system. Research indicates that a ratio of *gamma*- to *alpha*-tocopherol greater than 1:1 increases levels of both tocopherols in the body and that *alpha*-tocopherol alone may not be adequate to combat oxidative stress. Source Naturals **GAMMA E 400** offers a 3:1 *gamma*- to *alpha*-tocopherol ratio (190 IU equals 126 mg) and also contains tocotrienols from palm fruit, which provides high concentrations of all four tocotrienols: *alpha*, *beta*, *gamma*, and *delta*. Sesame seed oil, rich in *gamma*-tocopherol, is used as the base.*

EVNol™ is a trademark of ExcelVite Inc.
