DIETARY SUPPLEMENT

BETA GLUCAN

PURIFIED BETA-1,3/1,6-GLUCAN

100 MG • 60 CAPSULES

Supplement Facts

Serving Size 1 Capsule

Amount Per Serving	
beta-1,3/1,6-Glucan	100 mg†

†Daily Value not established.

Other ingredients: microcrystalline cellulose, gelatin (capsule), and silica.

Beta-glucan is a complex polysaccharide composed of glucose molecules extracted and purified from the cell wall of common baker's yeast, *Saccharomyces cerevisiae*. Beta-glucan is used to maintain or stimulate the effectiveness of the immune system. Animal and human cell culture studies have shown that beta-glucan can stimulate several aspects of immune function, such as phagocytosis and interleukin production. Source Naturals **BETA GLUCAN** uses a purification process that removes the mannoproteins and yeast residues that may reduce the effectiveness of beta-glucan.*

Suggested Use: 1 capsule daily before a meal.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, or if you are taking immunosuppressant drugs, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.
