Keep out of the reach of children.
STORE IN A COOL, DRY PLACE.**

The constituents of green tea are widely known for their universal health benefits. EGCG (epigallocatechin gallate) is one of the most beneficial polyphenol components in green tea, and is a powerful antioxidant that also has thermogenic properties, which helps increase metabolic activity. The polyphenol antioxidants in EGCG also support the body's cardiovascular system.*

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
