MADE IN U.S.A.

AR9B No.1

Clinically Tested in Collaboration with UCLA Researchers

Nearly 5 times as many participants taking Arthro7 experienced greater joint comfort after 12 weeks, compared to those taking the placebo.

Human Clinical Study (Nutrition Journal, 2008)

Give Your Joints What They've Been Aching For

Arthro7 is a formula featuring an all-star cast of some of today's most powerful joint health nutrients, including collagen II. Collagen II is a natural compound that helps support joint tissue. Also featured are MSM, cetyl myristoleate (CMO), bromelain, and turmeric for promoting joint comfort and enhancing lubrication.

Unsurpassed Quality

Arthro 7 is manufactured in a state of the art facility in Southern California. Our manufacturer follows the rigorous policies and procedures of cGMP (current Good Manufacturing Policies). All of the ingredients in Arthro 7 are thoroughly tested for purity and potency.

FAST ACTING JOINT FORMULA

- ✓ Promotes overall joint health*
- ✓ Nourishes joints and cartilage*
- ✓ Promotes mobility*

Dietary Supplement

90 CAPSULES

Arthro 7 Key ingredients for comprehensive joint support

Type II collagen acts like molecular Velcro; it is the glue that holds the articular cartilage in your joints together. Studies have shown that it supports overall joint health and mobility.*

MSM (methylsulfonylmethane) is a biologically active form of sulfur, which is the key to healthy collagen, cartilage, and joints

CMO (cetyl myristoleate) - It is an extraordinary lubricator for your muscles and joints. It also supports the health of your cartilage making it more flexible and pliable.*

Bromelain - is a natural enzyme that comes from pineapple that has been known to promote joint mobility and flexibility.*

Turmeric (Curcuma longa) has been traditionally used by Ayurvedic healer for curbing inflammation and promoting overall joint health.*

Lipase - is a digestive enzyme that will help support the absorption of CMO.*

Vitamin C - This powerful antioxidant helps type II collagen absorb into your body. It also supports your immune system.*
