

Papaya has been cultivated for centuries for its amazing health benefits. Papaya leaves contain the enzymes papain, chymopapain and fibrin that aid digestion* and promote blood platelet function*.

With its high degree of absorption and bio-availability, our organic papaya leaf glycerin-based extract is made only from premium quality papayas.

100% women owned, we believe in the amazing power of nature and support our farmers and their communities. 100% ethically traded, we give 10% of profits to support education of girls in Africa.
