Discussion: Bone Dynamics™ is a multi-nutrient combination designed to support bone health*. It features a hydroxyapatite (MCHA), complex, an extract of bovine bone derived from New Zealand pasture-fed, free-range livestock not subjected to routine antibiotics or rBGH. Adequate calcium and vitamin D, throughout life, as part of a well-balanced diet. Guaranteed free of bovine spongiform encephalopathy.*

Directions: Take 1-6 capsules a day with meals, or as directed by a qualified health care practitioner.

Caution: Consult your physician if you are pregnant or lactating or if you have a medical condition, or are taking any medication. Some people may experience diarrhea. Keep out of reach of children.
