Recommended Use: 2 tbsp daily

Directions: Shake well. Refrigerate after opening. Some settling is normal. Protect from heat, light, & moisture. As with any natural product, color and taste may vary.

Liquid Health™ Immune Balance 365 is carefully balanced with powerful immune enhancers. Overstimulating your immune system with standard immune supplements can do more damage than good, causing your immune system to become “imbalanced.” Unlike many other “immune boosting” products, Immune Balance 365 is safe to take every day of the year. This revolutionary formula is designed to support general wellness, increase resistance to occasional stress, fatigue, tension, and irritability. It also supports proper immune function in the gut where much of the immune system resides, all while balancing your immune system response rather than boosting it when it doesn’t need it.

Contains NO Artificial Colors, Flavors, or Sweeteners; Gluten, Milk, Salt, Starch, Wheat, or Yeast
