Liquid Health™ Calcium & Magnesium is a reliable, high-quality liquid calcium supplement. Tablets are often weak or in poor forms (such as carbonate), or do not provide the necessary supporting minerals. Our liquid calcium and magnesium supplements contain the vital nutrients that the body needs to properly assimilate calcium, as well as a blend of the best forms of calcium. Liquid Health™ Calcium & Magnesium also provides magnesium, which is involved in hundreds of complex chemical reactions that keep the body functioning properly.
