SUSTAINABILITY

We Respect Mother Earth

We support the environment so she can support us and our children for generations.

Guayusa is a naturally caffeinated herb from the Amazon forests. Boasting 2x the antioxidants in Green Tea, vitamins, minerals and 25 essential amino acids, Guayusa leaf extract boosts energy, focus and stamina without the jitters and crash often associated with coffee extracts. Guayusa is low in bitter tannins so it yields a smooth, sweet extract that delivers healthy energy.*
