

What makes **Body Ecology® Vitality SuperGreen™** so special? A powerful blend of energizing, alkalizing, nutrient-rich, whole foods, Vitality has a special focus on anti-aging and on nourishing your digestive tract.** Containing enhanced and nutritionally-potent fermented algae and fermented green vegetables in addition to a powerful intestinal support blend, Vitality provides proteins, enzymes, vitamins, minerals, lignans, essential fatty acids, and beneficial microflora.

Suggested usage: Simply add 2 scoops (or more) to 8 ounces of filtered water, young coconut kefir, smoothies, or any liquid of your choice.
