Discussion: The magnesium orotate in AOR's Cardio Mag 2.0 is fully-reacted, unlike most products which are food-grade mixtures of orotic acid with inorganic magnesium salts. This true magnesium orotate combines two compounds important for optimal cardiovascular function.*

Directions: Take 1 capsule 1-4 times daily with food, or as directed by a qualified health care practitioner.

Warning: Consult your physician if you are pregnant or lactating or if you have a medical condition, or are taking any medication. Keep out of reach of children.
