Discussion: CardioNOx provides AOR's proprietary NOx formula paired with Coenzyme Q10. Extensive research demonstrates that CoQ10 and nitric oxide support the maintenance of healthy cardiovascular function and normal cellular energy production.*

Directions: Take 1 capsule 1-3 times daily with a fat containing meal, or as directed by a qualified health care practitioner.

Warning: Consult a health care practitioner prior to use if you are pregnant or lactating, taking medications (blood pressure medication, blood thinners, erectile dysfunction-type products or any other nitrate containing medications or supplements), or if you have any medical condition. Keep out of reach of children.
