

Muscle Feast Essentials w/ PoolEAA™ is designed to support “amino acid pooling”, which allows your body the most efficient groupings of key amino acids to meet your individual needs. Essential amino acids or EAAs can decrease post exercise soreness, stimulate muscle growth, and assist in maintaining lean mass during periods of calorie restriction.

SUGGESTED USE:

As an adult dietary supplement, take one serving (11.6g) in 8 ounces of water with each meal or as needed during times of caloric restriction.

**MIX 1 LEVEL (11.6g)
SCOOP WITH 8 OZ.
WATER OR BEVERAGE
OF CHOICE.**

Keep tightly closed in a cool, dry place away from sunlight.
KEEP OUT OF REACH OF CHILDREN.
