Discussion: Chanca Piedra is the Spanish common name for the traditional herb *Phyllanthus niruri*, and literally means "break stone."

Directions: Take 1 capsule per day with/without food, or as directed by a qualified health care practitioner.

Note: Product appearance, odor and taste may vary from lot to lot due to the use of natural ingredients.

Warning: Consult your physician before use if you are pregnant, lactating, have a medical condition, or are taking any medication. Keep out of reach of children.
