Discussion: Fem Adapt was formulated with the most effective natural ingredients that may support a healthy transition into menopause.*

Directions (menopausal and post-menopausal women): Take 2 capsules daily, or as directed by a qualified health care practitioner. Take a few hours before or after taking other medications or natural health products.

Warning: Do not use if you are pregnant, if you currently have or previously had breast cancer or breast tumors, have a predisposition to breast cancer as indicated by an abnormal mammogram, biopsy or have a family member with breast cancer. Consult your physician if you have a medical condition, or if you're taking any medication. Keep out of reach of children.

Caution: Consumption with alcohol, other medications or natural health products with sedative properties is not recommended. Some people may experience drowsiness.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
