Discussion: Fem Balance combines vitamins and herbs that may provide mood support during PMS and may help support hormones during regular menstrual cycles.*

Directions: Take 2 capsules per day with or without food, or as directed by a qualified health care practitioner. Use for a minimum of 3 months for healthy menstrual cycle support.

Caution: Do not take immediately before bed.

Warning: Consult your physician before use if you're pregnant, lactating, have a medical condition (eg bipolar spectrum disorder), or if you're taking any medication (eg. hormone containing medication such as progesterone preparations, oral contraceptives or hormone replacement therapy (HRT) or antidepressant medication). Keep out of reach of children.
