

- GMP Manufacturing • Quality Assured • Independent Testing
- Do Not Use if Safety Seal is Broken
- Store Tightly Sealed in a Cool, Dry Place

Discussion: Green Lipped FFA is the stable free fatty acid extract of the New Zealand green-lipped mussel. This compound has a unique profile of omega-3 (ETA and SDA) and other fatty acids not found in significant amounts in standard fish oil supplements.*

Directions: Take 2 softgels twice daily for the first 2 months, followed by 1 softgel twice daily for the next 4 months, take with a fat-containing meal, or as directed by a qualified health care practitioner.

Warning: Do not use if you are pregnant or lactating. Consult your physician before use if you have a medical condition, or if you're taking any medication. Keep out of reach of children.
