

- GMP Manufacturing • Quality Assured • Independent Testing
- Do Not Use if Safety Seal is Broken
- Store Tightly Sealed in a Cool, Dry Place

Discussion: Infla-Knight™ is formulated to maximize the bioavailability of standardized *Boswellia serrata* extract, *Curcuma longa* and *Withania somnifera* (ashwagandha), which are botanicals used in traditional Ayurvedic medicine.*

Directions: Take 1 capsule 1-3 times daily with food, or as directed by a qualified health care practitioner.

Warning: Consult a health care practitioner prior to use if you are pregnant or lactating, have a medical condition or are taking any medications (eg. antiplatelet medication or blood thinners). Keep away from children.

Caution: Some people may experience mild gastrointestinal effects such as diarrhea, abdominal pain/cramps and nausea. Discontinue use if hypersensitivity (e.g. allergy) occurs. Consumption with alcohol, other drugs or natural health products with sedative properties is not recommended.
