Discussion: Inositol Powder is myo-inositol, a B-vitamin-like molecule that is an important factor in the healthy maintenance of cellular membranes and cell signaling.*

Directions: Take 1 level tablespoon mixed into juice or water twice daily with food, or as directed by a qualified health care practitioner.

Warning: Consult your physician if you're pregnant or lactating or if you have a medical condition, or if you're taking any medication. Keep out of reach of children.
