Discussion: Maxi Boz II is formulated with a standardized extract of boswellia, a botanical used in Ayurvedic medicine.

Directions: Take 1 capsule 1-3 times daily with food, or as directed by a qualified health care practitioner. Use for a minimum of 2 months to see beneficial effects.

Caution: Some people may experience mild gastrointestinal effects in which case, discontinue use. Consult a physician for use beyond 6 months.

Warning: Consult your physician before use if you're pregnant, lactating, have medical condition, or if you're taking any medication. Keep out of reach of children.
