

- GMP Manufacturing • Quality Assured • Independent Testing
- Do Not Use if Safety Seal is Broken
- Store Tightly Sealed in a Cool, Dry Place

Discussion: AOR Zymes is formulated with porcine derived pancreatic enzymes because they are similar to human pancreatic enzymes for healthy digestion.*

Directions: Take 1 capsule immediately before a meal one to four times daily, or as directed by a qualified health care practitioner. Use the smallest effective dose which controls symptoms. Swallow whole; do not open or chew capsules.

Caution: Consult a health care practitioner if you are pregnant or breastfeeding, for prolonged use or for use beyond 4 weeks, if you have diabetes, pancreatitis, pancreatic exocrine insufficiency or cystic fibrosis. Do not use if you are sensitive to pancreatic enzymes or pork proteins. If symptoms persist or worsen, discontinue use and consult a health care practitioner. Consult your physician before use if you have a medical condition, or are taking any medication. Keep out of reach of children.
