BIOTICS RESEARCH CORP.
Rosenberg, Texas 77471
(281) 344-0909

RECOMMENDATION: One (1) teaspoon each day as a dietary supplement or as otherwise directed by a healthcare professional.

SUPPLEMENT FACTS

Serving Size: 1 teaspoon (5 ml)

Servings Per Container: 48

	Amount Per Serving	% Daily Value
Magnesium (as magnesium chloride)	200 mg	50%

Other Ingredients: Water and potassium sorbate.

Store in a cool area.

KEEP OUT OF REACH OF CHILDREN

Caution: Use only as recommended. Magnesium chloride is generally well tolerated. Most side effects are due to toxicity (hypermagnesemia). Mild hypermagnesemia is generally well tolerated, but severe hypermagnesemia can affect the nervous and cardio-vascular system. Therefore, magnesium chloride may be contraindicated in patients with renal impairment or marked myocardial disease.
