

**DIRECTIONS:** Take 1 tablet 30 minutes before breakfast and 1 tablet 30 minutes before dinner, or as directed by your healthcare practitioner.

**ALA 600 CR** is a whole-body, multifunctional antioxidant that helps to maintain healthy, well-functioning cells. ALA 600 CR is designed to neutralize free radicals. ALA 600 CR has the ability to destroy free radicals in both the water-based and lipid-based portion of cells, making it the ideal whole-body antioxidant. In addition, ALA 600 CR helps the body synthesize glutathione, the body's own master detoxifier. ALA 600 CR also "recharges" other important antioxidants, such as vitamins C and E, and CoQ10, giving them the ability to continue fighting free radicals for extended periods of time. Unlike regular alpha-lipoic acid, ALA 600 CR's patented, controlled-release formulation provides extended protection. In addition, biotin supports the function of alpha-lipoic acid in regulating glucose metabolism.<sup>1</sup>

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**CAUTIONS:** Consult your healthcare practitioner before use, especially if you have or suspect you have a medical condition, including diabetes; if you take prescription drugs or are allergic to any ingredient; or if you are pregnant or lactating. Keep out of reach of children.

**STORAGE:** Store in a cool, dry place.

**DOES NOT CONTAIN:** Wheat, gluten, yeast, soy, animal or dairy products, fish, shellfish, nuts, tree nuts, artificial colors, sweeteners, or preservatives.
