Discussion: AOR's vegan vitamin D3 is sustainably sourced from lichen and not from the commonly used oil from sheep's wool. It promotes the healthy absorption and use of calcium and phosphorus.*

Directions: Take 1 capsule per day with food, or as directed by a qualified health practitioner.

Warning: Consult your physician before use if you're pregnant, lactating, have a medical condition, or if you're taking any medication. Keep out of reach of children.
