

- GMP Manufacturing • Quality Assured • Independent Testing
- Do Not Use if Safety Seal is Broken
- Store Tightly Sealed in a Cool, Dry Place

Discussion: Ortho Adapt™ is our premium adaptogenic formula. Includes porcine adrenal tissue and cortex to provide needed peptides and cofactors, along with Pantethine (the "activated" form of pantothenic acid [vitamin B5]), and botanical adaptogens. Supports the body's natural ability to respond to stress with balanced, proactive energy rather than alarm or exhaustion. Also available in a vegetarian formula.*

Directions: Take 1 capsule 1-4 times a day or as directed by a qualified health care practitioner. It is recommended that you start with 1 capsule daily and increase the serving size gradually up to a personal optimal level.

Warning: Do not take if you're pregnant or breastfeeding. Consult your physician if you have a medical condition (e.g. acute infection, liver disorder), or if you're taking any medication (e.g. antidepressant medications, hormone replacement therapy (HRT) or birth control pills). Keep out of reach of children.

Caution: Headaches, mild gastrointestinal disturbances (such as nausea), heart palpitations, or hyperactivity/insomnia may occur.
