TRADITIONAL ETHNOBOTANICAL INFORMATION

Used by the Inca and earlier Peruvian cultures for more than 1,500 years. Today, Maca Magic® is used up to three times a day by modern Peruvian people from professional athletes to the elderly. Maca Magic® is organically grown at the genetic origin of true *Lepidium Meyenii*, Peru's Magic Valley, located on the Junin plateau at 14,000 feet elevation, high in the Andes mountains.

Suggested Directions for Use

Mix 1/4 teaspoon of Maca Magic® with 8-16 oz water, your choice of milk or preferred juice.

After almost two centuries of use, researchers are finally proving what the Inca have been saying; maca works because it is loaded with natural precursors, amino acids, minerals and newly discovered Macamides and Macaenes, found in no other plant. Today our direct supply of maca products has the reputation as the freshest and purest root in the industry.
