- Pterostilbene
- Trans-resveratrol
- Polydatin
- Complex of Red Wine and concentrated fruit Polyphenols.

Dietary supplement,
30 capsules
of 550mg each

Patented oxygen
elimination system.

Supplement Facts

Amount Per Serving: 550mg.	% Daily Req.: N/A
Serving Size: 1 Capsule	Serving per container: 30
Pterostilbene 98%	100 mg
Resveratrol 50%	250 mg
Polydatin 98%	100 mg
*Polyphenol Complex	100 mg

*A concentrated complex of the polyphenols and stilbenes contained in red wine grapes and the polygonum cuspidatum plant augmented by additional amounts of key polyphenols.

Formulated to provide a scientifically balanced high potency complex of the critical stilbenes Pterostilbene, Trans-resveratrol, and Polydatin which have shown extraordinary health effects in multiple scientific studies and trials. Ptero Max is augmented with substantial amounts of the full spectrum of polyphenols and stilbenes contained in both the red wine grape and the polygonum-cuspidatum plant, also known as Japanese Giant Knotweed.

Other Ingredients: None, no fillers, expanders or any other inert or non-functional ingredients.

Usage Instructions: Take one capsule at least 45 minutes prior to having breakfast upon waking each morning. Not to be used by children under the age of 12, or by pregnant or lactating women without the recommendation of one's physician.

Storage Instructions: Keep in cool dark place or refrigerate. Replace cap tightly after use.
