Helps Maintain Healthy Bones†	Boosts Calcium Absorption†	Helps In Formation Of Bone Proteins†

Adequate calcium and vitamin D as part of a healthy diet, along with physical activity, may reduce the risk of osteoporosis in later life.†

Viactiv®

DIETARY SUPPLEMENT

What's important when it comes to bone health? Small, consistent, nutritional deposits over time to help keep bones strong later in life.

VIACTIV® Calcium Soft Chews provide targeted nutrition that helps keep you active and strong. Small in size - big on impact. **VIACTIV®** is an easy, delicious way to get your calcium from a convenient form you can take with you.

DIRECTIONS: Take one chew up to two times daily, with meals for optimal absorption, or as recommended by your doctor. Chew thoroughly before swallowing. Contains Vitamin K- Ask a doctor before use if you are taking a blood-thinning medicine (anticoagulant).

TAMPER EVIDENT: Do not use if seal under cap is missing or broken. Keep out of reach of children. Use as directed. Store at room temperature.
