**Discussion:** Omega-3 500 is a source of omega-3 fatty acids, eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) for the maintenance of good health, and helps support the normal development of the brain, eyes and nerves in AOR's patent pending Vsoftgel™ technology, to provide greater absorption. \*

**Directions:** Take 2 softgels daily with/without food, or as directed by a qualified health care practitioner.

**Caution:** Consult a healthcare practitioner prior to use if you are pregnant, nursing, have any medical conditions, or are taking any medications. Keep away from children.
