Discussion: Ortho Bone™ Vegan is an advanced combination of nutrients including a superior vegan calcium to support healthy bone structure. The formula features calcium citrate-malate, which is a more bioavailable calcium than simple calcium citrate. It also includes two research supported forms of vitamin K2, vegan vitamin D3 and all other key nutrients in research-backed doses and forms.*

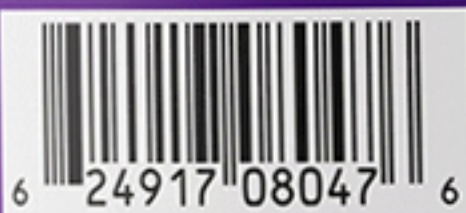

Directions: Take 5 capsules 1-2 times daily, with meals to facilitate maximum absorption, taking second dose with the last meal or snack of the day, or as directed by a qualified health care practitioner.

Warning: Consult your physician if you're pregnant or lactating or if you have a medical condition, or if you're taking any medication (such as blood thinners). Keep out of reach of children.

Caution: Some people may experience diarrhea.
